PROGRAM

Mr. FRIST. On Monday, following morning business, the Senate will resume consideration of the Defense authorization bill. Chairman WARNER and Senator LEVIN have been reviewing the submitted amendments and will be here on Monday to resume work on

that bill. I expect Members to come to the floor to offer amendments on Monday. We anticipate setting votes on amendments for Monday afternoon.

On Monday, we will order any votes to begin at 5:30 on those amendments to be disposed of. Again, I encourage Members to work with the chairman and the ranking member to schedule consideration of their amendments. There were a large number of amendments filed, and I hope that most of those amendments will not be offered.

It will be a busy week next week as we return to regular business. We need to proceed expeditiously toward completing our work on the Defense authorization bill by the conclusion of next week.

With that said, I again thank all of my colleagues who have participated during these past several days in honoring our former President.
